Durham Announces Revised Trash & Recycling Collections Schedule

Curbside Collections Modified Due to Icy Road Conditions

DURHAM, N.C. – The [Solid Waste Management Department](#) has announced a revised trash and recycling curbside collections schedule to catch up on collections this week that have been delayed due to the recent winter weather.

Revised Curbside Collections Schedule

- Wednesday, January 11 – Regular Monday customers will receive trash and recycling collections
- Thursday, January 12 – Regular Tuesday customers will receive trash and recycling collections
- Friday, January 13 – Regular Wednesday customers will receive trash and recycling collections
- Saturday, January 14 – Regular Thursday customers will receive trash and recycling collections

Customers are asked to leave their carts on their curbs for collection in case the department doesn't finish the entire route because crews will return the next day. Since collections for this week will now focus on trash and recycling, exempt-service customers as well as yard waste and bulky items collections are suspended for all customers until next week on their regularly scheduled collection day.

The [Waste Disposal and Recycling Center](#) will be open tomorrow at 7:30 a.m. and will extend operating hours to 4:30 p.m. on Saturday, January 14. Any questions or concerns regarding

solid waste collection schedule changes should be directed to [Durham One Call](#) at (919) 560-1200.

Customers are also reminded that Durham City Hall and non-emergency operations will be closed on Monday, January 16 to recognize [Martin Luther King, Jr. Day](#). Collection for all services, which includes solid waste, recycling, yard waste and bulky items, will be [delayed by one business day](#) for the week of January 16-20. Collections for yard waste and bulky items on January 20 will instead occur on January 23. The [Waste Disposal & Recycling Center, Yard Waste Facility, and the Household Hazardous Waste Center](#) will also be closed on January 16.
